

A SUPER MARIO STRIP SHOW

STRIPPING TO NINTENDO

Sexually frustrated Mario and Luigi fend off stripping turtles, toads and fish in **Boobs and Goombas: A Super Mario Burlesque**.

Recently extended due to demand, the show features **burlesque dancers removing their costumes to eight-bit blips and bleeps** in this celebration of *Super Mario Brothers'* 25th anniversary.

Watch **female versions of Mario and Luigi** with overalls and thick black mustaches get so **randy from trying to rescue the princess** that they begin to view the Goombas bent on destroying them — and each other — as sexy women.

And in true videogame style, Nintendorks are encouraged to **pony up cash near the end to unlock a bonus alternate ending**.
