YOUR GUIDE TO FREMONT STREET'S FIRST-EVER LIFE IS BEAUTIFUL FEST

Vegas is seductive, sultry, sensual...

And now even more beautiful.

Introducing the new festival **Life Is Beautiful**, taking over **Fremont Street** next month with more music, food, and art than a Roberto Benigni film.

## MUSIC

It wouldn't be a Vegas music fest without a headlining set from the city's most famous arena rock revivalists **The Killers**. Add to the list fellow rock superstars **Kings of Leon**, **Beck**, and **Vampire Weekend**...and you're still not even close to done.

Don't miss dozens of up-and-comers including **Childish Gambino** (a.k.a. *Community* star Donald Glover) and the rising indie sisters of this year's most-buzzed about band **Haim**. And, for those feeling nostalgic, check out **Jurassic 5** and **Living Colour**.

## FOOD

Rub elbows with celebrity chefs including local icon **Michael Mina** and co-founder of NYC's Gramercy Tavern, **Tom Colicchio**. Explore a culinary village with more than 50 restaurants in a bazaar of epicurean delights with **gourmet dishes served a la carte for under \$10**.

Watch chefs create dishes live on a sub-zero climate-controlled stage or, if you can't decide, take a **three-hour culinary dining tour** to various downtown venues including **EAT** and **Park on Fremont** for all the **pig, whiskey, and beer** you can handle. *Sat-Sun Oct 26-27 5-8p. \$130 w/ festival ticket [here](#)*

## ART

Amidst all this action will be an urban art gallery as **Fremont Street is transformed into an outdoor showroom** showcasing street murals and graffiti-style art from local artist **Aware** and freaky drawings from **The Stencil Network**.

And, if you've been meaning to check out Cirque du Soleil's local shows but never made it past the craps table, now's your chance to see performers from **Cirque shows including Mystere, O, and Zumanity** — not to mention *Rock of Ages* and *Michael Jackson One*.
