

CUB CLUB

MEET THE PLAYERS IN THE CONVENTION'S NEW DIGS

One good thing about finishing the season with 101 losses and the second-worst record in baseball?

There's no place to go but up.

That's the sentiment behind the ever-optimistic **28th Annual Cubs Convention**, kicking off in a new location at the Sheraton Hotel & Towers this weekend.

The swanky new digs will welcome the young talent the team hopes to build around including **Starlin Castro, Darwin Barney, Anthony Rizzo, and Jeff Samardzija**.

Bring your jersey to get signed by one of the players (or 50 other former and current Cubs greats) or pick up new Cubs swag at the hundreds of memorabilia booths.

See if you've got what it takes to make the team at the batting and pitching cages before **running around the interactive baseball diamond** featuring clinics put on by Cubs players.

Don't forget to brush up on your Cubs Bingo and Cubs Jeopardy knowledge, and **get your hard-hitting questions ready for the Q&As** and seminars.

Question one, directed to Theo: How many years will the "rebuilding" take? We have retirement plans to consider.
