

# DUNGEON MASTER

**DODGEBALL DUNGEON WANTS TO MAKE YOU A HERO**

What do saving the world and high school gym class have in common?

Dodgeball, obviously.

That's the idea behind **new ComedySportz show *Dodgeball Dungeon***, in which volunteers selected from the audience fight monsters with dodgeballs.

Submit your name before the show to be selected to purge the forest of an evil force in a world where **dodgeballs are the only weapons**.

Then you'll battle your way through the dungeon, with each room containing a new set of challenges from **evil elves to fight, puzzles to solve, and obstacles to navigate**.

The longer you stay alive in the dungeon, the stronger you get by earning power-ups after completed quests. But **once you die, you're out and the next volunteer is in**.

But nothing can prepare you for the **series of jokes and narrative improv** you'll encounter along the way as *Dungeons & Dragons* is mashed up with *Dodgeball*.

Luckily, you already got your **training** out of the way.
