SMOKE HOOKAHS AND DANCE IN A MANSION AT ORACLE

Is it a hookah lounge? A mansion? Or a nightclub?

It's **Oracle Mansion** — and it's all three.

If your Vegas experience is lacking a mansion in which to **smoke hookahs and hear hip-hop**, you've come to the right place.

Set foot inside this palatial new estate stacked with **plush red leather booths and gold-plated Middle Eastern archways** for hookah flavors from chocolate to margarita. For an extra \$5, throw in a shot of booze for East-meets-West indulgence.

Besides smokes and drinks, they're serving up **lamb kabobs**, garlic parmesan chicken wings, and triple smoked sliders to feast on — while your eyes feast on **live go-go dancers**.

DJs pack the dance floor with hip-hop-centric sounds while servers in saucy maid outfits tend to high-rollers in the **"Harem Hookah" skybox lounges**.

High rollers indeed.
