

LOVE AND WAR

IN THE BATTLEFIELD OF LOVE, AK-47S AND SAWED-OFF SHOTGUNS ARE YOUR NEW WEDDING ACCESSORIES

Another *Call of Duty*, another record-breaking launch.

Why play online with 13-year-olds in need of anger management counseling when you've got immature buddies of your own?

Forgo the plastic triggers for real ones at **Battlefield Las Vegas**, a sprawling complex of war games that gives "Vegas Fight Night" a whole new meaning.

First you'll arm yourself with the **largest collection of US and foreign weapons** available for public use in the country before stepping into the 25-yard indoor firing range.

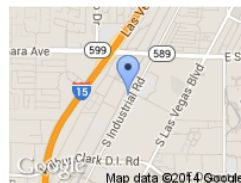

Then come out guns blazing with **actual weapons used in military conflicts throughout history** from WWII-era pistols to the same firearms Seal Team Six used to take out bin Laden.

You can also play Capone with **mobster-approved sawed-off shotguns** or fight the Ruskies with Cold War-era AK-47s.

And, after taking a ride to their 200-acre desert training facility in a Vietnam-era HMMVV, **you can also have your wedding here.**

We hope the priest is wearing kevlar.
